

TRAVELERS BECOME COSTIVE!

The change in diet and drinking water, the motion of the cars, the irregular habits of travelers, no matter whether they travel on business all the time or for pleasure occasionally, usually result in a constipated condition of the bowels or some stomach or bowel trouble. Travelers should always have a bottle of

Dr. Caldwell's Syrup Pepsin

with them. It is a pleasant liquid laxative and a certain cure for sick headache, train sickness and all stomach trouble. Your druggist sells it in 50 Cent and One Dollar bottles.

W. P. Gaines, of Little Rock, Ark., Traveling Salesman for the Southwestern Typewriter Co., writes: "While traveling through western Arkansas, in February last, I had a severe attack of Acute Indigestion. I was unable to eat and I was suffering terribly. I took two doses of Dr. Caldwell's Syrup Pepsin and was relieved at once, and I would not be without a bottle of Syrup Pepsin in my grip. I consider it as essential as an extra book and can feel nothing equal to it for Stomach Trouble and Constipation."

SAYS CHORUS GIRL WON HER HUSBAND.

Albert Krause, Musical Director of "Princess of Hellen," Sued for Alimony.

NEW YORK, April 4.—Albert Krause, musical director of the Princess of Hellen Comedie Opera Company, now playing at the Broadway Theater, has just been served with papers by George Robinson, a lawyer, in a suit filed by his wife, Mrs. Mary Krause, for absolute divorce, with alimony and the custody of their 3-year-old child, Albert. Mrs. Krause makes charges against her husband and Sallie Goffrey, a former member of the Princess chorus.

Mrs. Krause, who is a pretty woman, lives with her son at No. 182 Lexington avenue. At present she is at the home of her father, who is dying, at No. 22 East Fifth street. She said:

"My husband and I were married on February 2, 1891, and lived together until about a year and a half ago. I dread the notoriety attending to this case."

It is said that Mr. Krause, as musical director of the Princess of Hellen Company, receives \$5,000 a year.

WOODCHOPPER KILLS A LION.

Dangerous Beast Is Shot on a Road Near Nevada City.

REPUBLIC SPECIAL.
Nevada City, April 4.—A mountain lion which has been terrorizing men employed at the Nevada City and Spanish mines was killed at Lake Vera, near here. The beast was slain by Henry Wilson, a wood-chopper employed on the Martin wood ranch.

Wilson had finished work about sundown, and was walking to his cabin, carrying a rifle. Suddenly the lion sprang out on the road from the heavy undergrowth about twenty yards in front of Wilson. The young man lost no time in shooting at the beast, the bullet taking effect in the shoulder. The animal was only enraged by the wound, and made an attempt to attack the woodchopper, who promptly emptied another shell at the creature. This time the bullet took effect in the brain, the lion causing instant death. The brute measured over five feet in length, and was quite heavy, though thin and gaunt as from hunger. A large band of goats is pastured in the vicinity, and it is thought that the lion was making its way toward the flock to commit a depredation when it met death. Repeated efforts were made heretofore to slay the lion, several persons having shot at it, but all were unsuccessful.

TEST YOUR KIDNEYS.

Thousands, Both Men and Women, Have Kidney Disease and Do Not Know It. It is Hereditary. If Any of Your Family in This or Past Generations Have Been Troubled With Kidney Disease of Any Form You Cannot Be Too Careful. You Should Make a Test of Your Urine at Once and Satisfy Yourself as to the Condition of Your Kidneys.

Let your morning urine stand 24 hours. If you find a reddish brick dust sediment in it, or if it passes off feeling it, or if it is cloudy, you will know your kidneys are in a diseased condition and unable to perform their duty. The result will be inflamed bladder and urinary organs, uric acid poison, the stomach will become affected, unable to digest the food, the system weak, and a breakdown of the general health will follow, with Bright's disease or diabetes, which will prove fatal if not treated with promptness.

ANALYSIS FREE.
If, after you have made this test, you have any doubt in your mind as to the development of the disease in your system, send a sample of your urine to the Medical Department, Warner's Safe Cure Co., Rochester, N. Y., and our doctors will analyze it and send you a report with advice, free of charge, together with a valuable book describing all diseases of the kidneys, liver, bladder and blood, and treatment for each disease.

All letters from women read and answered by a woman doctor. All correspondence in strictest confidence.

Thousands of unsolicited letters are received daily from grateful men and women who have been cured by Warner's Safe Cure.

Hon. J. C. Petersen, one of the leading citizens of Minneapolis, Minn., writes: "I always enjoyed good health until five years ago, when I began to notice repeated backaches, which kept increasing. I had sharp stitches and my back felt lame and sore. I had my urine examined, the doctor found it highly colored, with considerable brick dust, and pronounced it Bright's disease. I was changed, taking some greatly advertised kidney cures, but with unsatisfactory results until I used Warner's Safe Cure. Within ten days I felt greatly relieved, the pain gradually decreased and soon disappeared. The urine assumed a natural, healthy color, and within four months my health was fully and completely restored."

"I have enjoyed good health for over four years, and indorse Warner's Safe Cure as the one infallible remedy for kidney trouble."

Yours, very truly, Hon. J. C. Petersen, 722 Plymouth Ave.

WARNER'S SAFE CURE CURES

Doctors prescribe and hospitals use "Safe Cure" exclusively in all cases of kidney or bladder trouble.

"Safe Cure" is purely vegetable and contains no narcotic or harmful drugs. It is free from sediment and pleasant to take. It does not constipate; it is a most valuable and effective tonic; it is a stimulant to digestion and awakens the torpid liver. It repairs the tissues, soothes inflammation and irritation, stimulates the enfeebled organs and heals at the same time. It builds up the body, gives it strength and restores energy.

Pains in the Small of the Back
painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, pains in the back of the head and neck, rheumatic pains and swellings all over the body, eczema and jaundice tell you your kidneys have been diseased for several months, as these outward symptoms seldom allow themselves until the poison has penetrated the enfeebled organs, and the danger point has been reached. If you have any of these symptoms great care should be taken to stop the progress of the disease and prevent it proving fatal. "Safe Cure" is what you need. You can buy it at any drug store at 50 CENTS, AND A BOTTLE. Insist upon Warner's Safe Cure, the standard for 20 years. Take no other.

Beware of so-called kidney cures which are full of sediment and of bad odor—they are positively harmful and do not cure.

WARNER'S SAFE PILLS move the bowels gently and aid a speedy cure.

CIRCUS HONEYMOON FOR THESE TWO

Peannuts and Pink Lemonade Enjoyed by an Elopement Couple.

THEN THEY TRIED VAUDEVILLE.

Returned to Parents When City Life Grew Monotonous, Were Forgiven and All Ends Happily.

REPUBLIC SPECIAL.

New York, April 4.—Mr. and Mrs. Samuel Spencer Springstead, aged 17 and 15 years respectively, have returned to their homes in Pleasant Plains, N. Y., after a splendid honeymoon of eight days. Samuel and his bride, who was Wilhelmina Cole, have been sweethearts since no need to drag her sled and spend his spare pennies on chewing gum, ginger cakes, "jaw crackers" and the other delights of youth.

That they were to be married was agreed upon while she was struggling with the alphabet and he with the intricacies of the multiplication table. Samuel had more than one hard fight to convince the other boys that joining about his sweetheart was not to be tolerated.

When the girls would poke fun at Wilhelmina she would tilt her little nose up in scorn and tell them that none of them was considered by her.

Samuel and Wilhelmina, having reached what they decided to be mature years, more than a week ago decided that they should carry out their desire to be married. They had been to Sunday school and had heard the story of Jacob and Rachel. They discussed it as they walked together, and Samuel averred that he had waited three years longer than his faithful suitors of the Bible.

Samuel had in his pocket \$25, which he had saved. It seemed a very large sum of money to the youngsters. Samuel had explained a week before to his sweetheart's and to his own parents their desire to be married. They had laughed at him, and told him to work harder, get a home and then if they would, the two could marry.

This, a week later, seemed very much like a dream. They knew that their parents would not marry them in St. Mark's Church and so decided to go to New Jersey. They took a ferry to Perth Amboy, where they found a minister to marry them. Payment of his fee left them with a capital of about \$5.

They left Perth Amboy on Monday with a good part of their fortune, and after investigating the wonders of Jersey City, reached New York Tuesday.

Bride and groom went to the circus, where they consumed as many peanuts as the other that they consumed. They were just as much in love as ever, they wished they were home, where their mothers knew the best remedies for indigestion. They managed to survive, however, and on the following day went to a continuous vaudeville show.

After dinner the young people realized that their money was almost gone, and a family council, it was agreed that they should go to their homes, ask for forgiveness and the help of their parents in solving their financial difficulties. They pledged loving love as the ferryboat hurried them homeward.

At Pleasant Plains there was a fearful partying. Their mother was away, and the mothers, who had been distraught over their absence, were quick to forgive, for Samuel's mother, like Wilhelmina, and her mother loved Samuel. The late fathers were soon brought to terms.

There was a grand family council with the boy husband and girl bride present. They were forgiven when they agreed to live at home until young Samuel had perfected himself in his father's business and Wilhelmina had sufficiently learned the duties of housekeeping.

There was a general jubilation, and the boy went home with his father, after shaking hands with his father-in-law and his mother-in-law and wife. Of course his father kissed the bride, and she was kissed by everybody. There was a great deal of genuine happiness on Staten Island, though husband and wife were parted.

Hazlett to Address Business Men.
The next regular monthly meeting of the North St. Louis Business Men's Association, which takes place at Social Turner Hall, corner of Third and Monroe streets, on April 5, D. M. Hazlett will deliver a lecture on civic improvement. Mr. Hazlett is a resident of St. Louis, and is in conformity with a resolution adopted at the last meeting of the association. Admission to the meeting will be free, and the lecture will be illustrated with stereoscopic views.

STROVE FOR VALEDICTORY.
Her Optic Nerve Paralyzed by Too Great Devotion to Her Books—Sudden Pain and Then Darkness.

REPUBLIC SPECIAL.
Lewy, Conn., April 4.—While in the midst of examining the High School room of St. Mary's Parochial School this morning Miss Julia Fox, aged 17, was stricken totally blind. She was startled by a shriek, and Miss Fox was seen to rise and stagger a few paces down the aisle, then fall motionless against a desk. She studied day and night for several weeks to prepare for examinations and to win a valedictory address.

When she fell at her home Miss Fox said: "I felt a terrible pain about suddenly across my eyes like a slash from a knife. It seemed as if my head had been split open. I studied day and night for several weeks to prepare for examinations and to win a valedictory address. I can't see a thing," she said. "My eyes are blind." And she groaned piteously about her.

She was led to a pharmacy near by. There it was found that one eye was totally blind, while the other she barely could discern the outline of objects held against a strong light. By the time she had reached the home of her parents, Mr. and Mrs. Michael Fox, even that faint spark of sight was gone.

Local doctors declared she was suffering with paralyzed optic nerve, due to overstudy. She was taken to an eye specialist in Bridgeport.

One of her brightest pupils, but owing to illness had fallen behind her classmates. She studied day and night for several weeks to prepare for examinations and to win a valedictory address.

ASTHMA. HAVE YOU GOT RHEUMATISM?

YOU CAN BE CURED; FREE

A Scientific Discovery Which Will Revolutionize the Treatment of Rheumatism.

Medical authorities throughout the country, including names like those of Dr. C. F. Beard, South Framingham, Mass.; Dr. L. D. Knott, Lakewood, Ky.; Dr. M. L. Croft, St. Louis, Mo.; Dr. F. Brown, Sanborn, Iowa; and Dr. J. C. Curry, St. Paul, Minn., now agree that the Whetzel system of asthma treatment affords a real and absolute cure for the disease. The efforts of physicians heretofore have been to ease the brain and keep the distressing symptoms under control, leaving the disease itself alive, but latent and waiting for the next opportunity to manifest the full force of its activity.

FREE TRIAL FOR ALL APPLICANTS.
Dr. Whetzel will for a time send a test course of treatment free to all applicants who will give a short description of their case and aid in the humane way by sending the names of two other persons having asthma.

DR. FRANK WHETZEL,
Dept. 8 American Express Building, CHICAGO.

RHEUMATISM Cured Without Medicine

Instant relief through the feet. Large pores absorb medical virtue and expel impurities.

TREATMENT SENT FREE IF CURED PAY \$1.00

Don't take drugs into your stomach—there's another way to get medicine into your system. Magic Foot Drafts have reached the world that the blood can be reached through the pores of the feet. Hundreds of thousands of men and women have tested their merits—always at our risk—and we are still sending them free on approval to every sufferer we can hear of.

Though worn on the feet, the Drafts cure Rheumatism in every part of the body. They bring instant relief and comfort, having a gentle counter-irritant and stimulating effect on the blood and nervous system. Don't let Rheumatism take possession of your bones and make life less desirable than death. Act now. Write today to the MAGIC FOOT DRAFT COMPANY, T. S. Oliver, Bldg., Jackson, Mich., and we will send you a free trial box of Drafts. When satisfied with relief received, send us One Dollar—until then keep your money.
